- 24-7 members may use your products and services.
- 24-7 members refer you to others who need your products and services.
- You learn how to represent and promote your business more effectively.
- Weekly meetings keep you in touch with your regional business community.
- Meetings that are run by and for the Members with the only purpose being networking for referrals. Time is not spent on other subjects which do not produce leads.

Member's are paid commission on sales that happen within the framework of our member base. If you pass on a lead to another member and they get paid you will be paid a commission on that sale! ITS ALL ABOUT GETTING PAID TO NETWORK!!
